PHILOSOPHY OF REDEEMER CHILDREN'S MINISTRY

The Gospel

"For the wages of sin is death, but the gift of God is eternal life in Christ Jesus our Lord."

Romans 6:23

"For it is by grace you have been saved, through faith-- and this not from yourselves, it is the gift of God—not works, so that no one can boast."

Ephesians 2:8-9

A City

"Also seek the peace and prosperity of the city to which I have carried you into exile. Pray to the Lord for it, because if it prospers, you too will prosper."

Jeremiah 29:7

For Generations

"We will not hide them from their children; we will tell the next generation the praiseworthy deeds of the LORD, his power, and the wonders he has done. So the next generation would know them, even the children yet to be born, and they in turn would tell their children. Then they would put their trust in God and would not forget his deeds but keep his commands."

Psalms 78:4, 6-7

Our purpose

Children will experience the gospel of Jesus Christ, and serve and renew the city through the knowledge and application of the gospel.

We work toward this goal by

- teaching children how to pray and worship
- immersing children in Scripture
- encouraging families to serve their city
- demonstrating God's love through compassionate care

In addition, we seek to encourage and support families in their commitment to stay and engage the city by facilitating, discipling and offering practical support to them as they apply Redeemer's values and beliefs to their families.

CLASSROOMS AND RATIOS

The Children's Ministry has classes available for the following ages:

Nursery: Infants through young 3's

Preschool: 3 years through Pre-K

Elementary: Kindergarten through 5th Grade

Childcare for Infants through Pre-K is located on the 3rd floor. It opens 30 min prior to each service. Elementary age children sit in the service with their parents until dismissed to their classes on the 4th floor (9:30am and 11:30am).

The welcome and check-in areas are located in the 1st and 3rd floor lobbies. Parents must check in their children prior to leaving them in a classroom.

Our classes adhere to promotional markers and ratios, as follows:

Class	Promotional Marker	Adult:Child Ratio
Infants/Crawlers (Yellow)	Developmental	1:3
Walkers (Green, Teal)	Developmental	1:4
Two's (Red, Orange)	The month after turning 2	1:5
Three's (Blue, Purple)	When 3 years by Dec. 31 st	1:8
Pre-K	When 4 years by Dec. 31 st	1:8
Elementary	Grade Level	

Because we want to provide the best care for your child, we closely monitor the adult-child ratio in each classroom. Should a classroom go over the appropriate ratio, the supervisor or greeter will ask parents to volunteer. On occasion, a classroom may be closed.

Generally, we promote children the first Sunday after Labor Day in September, with the exception of infant, walkers, and two's classes.

VOLUNTEER RESPONSIBILITIES

Requirements to Serve

1. Each volunteer in our ministry is required to complete an application process, which includes a personal interview and background check.
2. We hold comprehensive teacher trainings to (1) ensure our volunteers understand and follow our policies and to (2) enable them to nurture our children.
3. Youth must be at least 12 years old to work in the nursery with a parent or adult supervisor, and 15 without a parent, through permission of the supervisor and classroom teacher.
4. In the event that there are last minute volunteers who have not been screened, they will be approved by the supervisor or greeter and placed with a volunteer or staff member who has had a background check.
5. Volunteers are entrusted to teach the children of Redeemer about the Gospel. We ask that volunteers commit themselves to the responsibility of building a strong, spiritual foundation in the hearts of the children.

Scheduling

1. Volunteers will communicate with the area supervisor concerning the schedule.
2. Once the schedule is set by the area supervisor, any changes should be made by switching with another team member and notifying the area supervisor as soon as possible. Team members' contact information is supplied by the supervisor.
3. In case of an emergency that causes the volunteer to run late or be unable to serve, it is imperative to call or text the area supervisor.
4. When a volunteer is no longer able to serve with the Children's Ministry, 4 weeks notice is needed to find a replacement. Area supervisors should then communicate this change to the Volunteer Coordinator.

General

1. Volunteers must be knowledgeable about and adhere to applicable policies and procedures in this manual.
2. Volunteers are not permitted to have any personal drink (other than water) or food during class.
3. Personal belongings must remain off of the floor and out of reach of children.
4. Phones are to be on vibrate and may not be used in the classroom except in the case of an emergency.
5. Any special treats or activities involving food outside of the scheduled curriculum must be approved by the area supervisor.

Arrival and Setup

1. Arrive a minimum of 30 minutes before the service begins, and sooner if area coordinator requires it. *Please be on time.* Punctuality is required and excessive tardiness will not be tolerated as it compromises the quality of programming for the children. Please remember that tardiness has a domino effect, involving supervisors, fellow teachers, children, and families.
2. Sign in via iPad upon arrival and take your nametag from the check-in desk.
3. Wash your hands before setting up the room.
4. Set out any materials needed for class, as provided by area coordinator.
5. Ensure that all tables are wiped clean and toys and supplies are put away neatly in their proper places prior to leaving the room. Notice that there are labels indicating where all toys and supplies are to be stored.

Snacks (nursery only)

1. All children's hands must be washed prior to eating a snack.
2. A light snack is provided for children in the Walkers and Two's classes. It usually consists of cheerios and water.
3. Before handing children snacks, ensure they do not have allergies.
4. Children may have snacks and drinks only when they are seated. Children are not allowed to walk around with snacks or cups due to allergy and sanitation reasons.
5. Cups should be promptly removed once each child has finished.
6. All bottles must be *pre-mixed*. Nursery workers are not allowed to mix formula for health and sanitation reasons.

Class Time

1. Anyone not wearing an approved name tag is not permitted to enter the classroom. *If there is a problem, or you feel uncomfortable asking someone if they are approved, see the supervisor.*
2. One volunteer should welcome children and take attendance while the other engages the other children.
3. Be particularly aware of children with allergies and check all nametags for any indication of allergies or other special needs. Ask parents for further clarification.
4. Review the classroom rules with the children every week.
5. Whenever possible, sit on the floor in chairs with children to interact with them. Being on their eye level helps gain and maintain their attention.
6. Remain in the classroom at all times unless you are leaving to take a child to the restroom (never alone).
7. Enjoy being with the kids! Remember that this is not babysitting, but ministering to these children and guiding them closer to the Lord.

Departure Procedures

1. Children must be wearing a printed name tag to enter the classroom. If a child arrives without a nametag, send the parent and child back to the check-in area. If parent is not present (i.e. in elementary), write down child's name and ask a staff member to sign the child in. Be sure to remind parents of our check-in policy at pick-up.
2. When a parent arrives, ask for the child's security tag before releasing the child. *This is imperative: do not release a child without having the security tag.*
3. Match the child's name tag with the security tag sticker, affix them to the roster, and turn in rosters and name tags to the supervisor after the service.
4. After all children have been picked up, tidy your classroom and return your nametag and lanyard to the check-in area.
5. Sermons are available via your TouchPoint account. Your spiritual welfare is important to us, so please take advantage of this resource!

PARENT RESPONSIBILITIES

For the safety and well-being of your child, please adhere to the policies and procedures that are outlined in this entire manual.

Alerts and Requests

1. If your child has any allergies or special conditions, please explain them to the staff member or volunteer leading your child's class. For allergies, make sure that a note about the allergy has been made in the check-in account. If the allergy is correctly notated in the system, an "A" will appear on the printed name tag.
2. Alert the teachers if your child is potty training. Please take potty-trained children to the restroom before dropping them off in class.
3. We welcome parents to spend up to 3 weeks acclimating their children to the class. Once your child feels comfortable, we encourage you to leave your child in class so that you may enjoy the service.
4. It is often most beneficial to quickly drop off your child, as this reduces separation anxiety and helps the child more quickly adjust to the classroom.
5. Drop off your child at the door rather than entering the classroom. This reduces confusion and crowding in the hall.
6. Whenever possible, allow one parent to drop off and pick up your child in order to prevent crowding in the hallway.
7. Only parents with a security tag are granted access to the hallway.

Items you Bring

1. Label all of your child's belongings, including diaper bags, cups, bottles, pacifiers, etc.
2. Please leave all toys and dolls at home as they can get lost or cause other children to be upset.
3. All bottles must be *pre-mixed*. Nursery workers are not allowed to mix formula for health and sanitation reasons.

Tags

1. Every parent is required to create a profile for their family on our computer system. This system generates our name tags.
2. Every parent must print off a name tag for their child and its corresponding security tag prior to entering the childcare area. This is a security measure to prevent unauthorized people from accessing children.
3. Once the name tag is printed, affix it to the child's back. Parents should retain the security tag portion as it is required for admittance to the hallway and pick up. This security number may also be used to page parents in the sanctuary if their child is in need of extra attention in the nursery.

Security for Child Pick Up

1. As mentioned above, each child receives a name tag and security tag prior to Sunday School. Parents must retain the security tag portion. It allows parents to access the 3rd and 4th floor hallways and to pick up their children from class. No adult can pick up a child without the corresponding security tag without direct consent and supervision of the greeter or a supervisor.

Volunteering

1. We encourage parents to volunteer in our classes. We request that all parents volunteer in class at least 3 times per year.
2. When you volunteer, please sign in on the ipad when you check in your child.

POLICIES

Wellness:

1. Children must be symptom free from the following illness without medication for 24 hours before entering the classroom:
 - Fever of 100 or higher: there is a digital thermometer at the 3rd floor desk
 - Vomiting or diarrhea
 - Conjunctivitis (pink eye or other eye infection)
 - Rash
 - Nasal drainage that is green or yellow
 - Sore throat
 - Open sores
 - Cold
 - Excessive coughing
 - Lice
2. If a child develops any of these symptoms while in class, the parent will be paged to pick up the child. If a parent cannot be reached via cell phone or our paging system, the child will stay outside of the class with the supervisor or greeter.
3. Security tags for children with allergies will be marked with an "A." Parents should also discuss allergies with teachers at drop-off.

Injury and First Aid:

1. We can administer *only* Band-Aids and Ice Packs.
2. For children with severe allergies requiring an epi-pen, please give it to the area supervisor.
3. If there is an injury in the classroom, the teachers and/or volunteers should immediately tell the supervisor. Any injury must be reported since some trivial injuries can turn out to be serious. The teacher must complete a Parent Communication Form as soon as possible, to be filed, and have it copied for the parent to take home.

Safety and Security

We believe that it is of utmost importance that our children are nurtured in a safe and responsible environment. We also desire that our staff and volunteers be protected from any false allegations of misconduct.

1. Each volunteer in our ministry is required to complete an application process, which includes a personal interview and background check.
2. Each volunteer is required to read and agree to follow the stipulations in this comprehensive manual regarding Children's Ministry Policies and Procedures.
3. We hold comprehensive teacher trainings to (1) ensure our volunteers understand and follow our policies and to (2) enable them to nurture our children.
4. We have a detailed security procedure for picking up a child outlined in the Parent Responsibility section of this manual.
5. There is a Two-Adult rule in place for all classrooms. This means there should *always* be two adults, at least one of whom is a woman, present while children are there. This is to protect the children from the possibility of abuse and to protect the adults from false accusations. If there is a situation in which there is only one adult, the door to the room should be *open*.
6. If there are last minute volunteers who have not been screened, they will be approved by the supervisor or greeter and placed with a volunteer or staff member who has had a background check.

Restroom and Diapering:

1. Parents should take their toilet-trained child to the restroom prior to dropping him/her off in class.
2. Only women should take children to the restroom.
3. Only staff or the parent of a child may change diapers.
4. All diapers should be checked and changed if necessary before children are picked up.
5. Adults must wash their own hands as well as the children's hands (at a sink or with hand sanitizer) after going to the restroom or changing a diaper.
6. Staff must always attend a child who is on the changing table. Prepare ahead so that all supplies are within reach. Never leave a child alone on the table, even if just to reach for something.

Evacuation:

1. If the fire alarm sounds while parents are in the service, they must follow the evacuation instructions out of the auditorium. Parents flooding the childcare area will cause congestion and prevent the children from being able to safely evacuate the building.
2. All volunteers/supervisors/teachers are aware of the plan to follow in case of an emergency. The supervisors will be responsible for getting everyone out of the building and helping people to follow the evacuation plans in their designated areas.
3. In the event of an emergency, the W83 building evacuation plan for infants and children from the 3rd and 4th floors is as follows:
 - Ambulatory Children – Deputy Fire Wardens and assistants will evacuate children via stairwell “B” and out onto the west 83 street sidewalk. Staff and Children will then proceed in a calm, organized manner to the rendezvous location at the NE corner of Amsterdam Avenue and 82 Street. Communication will be made by 2 way radio between children’s ministry staff to establish progress and status.
 - Infants –Infants will be evacuated via stairwell “B” and placed in infant evacuation carts that are stored in the lobby stroller room. Infants and staff will then proceed to the rendezvous location at the NE corner of Amsterdam Avenue and 82nd street. Communication will be made by 2-way radio between children’s ministry staff to establish progress and status.
 - Parents will pick up their children at Amsterdam Avenue and 82 Street. Parents should not go to children’s floors.
 - Evacuating staff and volunteers will NOT return to the Ministry center until an “all clear” has been transmitted by the fire department or the fire safety staff.
 - Make sure that no one is left in the areas where you are serving. CLOSE THE DOORS as you exit rooms but do not lock them. Move briskly to outside evacuation areas.
 - Accounting for children: Teachers will have attendance sheets with them. Teachers and Children’s Ministry staff should check attendance at Amsterdam and West 82nd Street.

CODE OF CONDUCT FOR CHILD SAFETY

Background

The most effective way to reduce abuse of children is to be vigilant. By being vigilant in following the Code of Conduct we will help protect children from abuse.

All staff and volunteers who have roles with children are expected to interact with children in a mature, capable, safe, caring, responsible manner, with a high level of accountability. All adult staff and volunteers are responsible for giving and accepting feedback from others in order to maintain our high level of professionalism.

This Code of Conduct includes, but is not limited to, the following expectations of staff and volunteers. Please sign the attached form.

Code of Conduct

Visibility: All work with children shall be planned in a way that minimizes risks as far as possible. This includes being visible to other adults when working with children. This can be accomplished by planning activities in areas where other adults are present and at a time when other activities are occurring.

Overcoming Isolation: At least two unrelated adults shall be present in work with children. When this is not possible, reduce isolation by having a minimum of two children present, informing the child's parent of your meeting, and doing it during a time and/or in a location where your interaction with the child is visible to others. Isolation could be overcome, for example, by taking two or more children to the bathroom together rather than only one, dropping off siblings last in a carpool, or taking your own child or spouse along when providing rides. We expect an adequate number of adults to supervise youth events, especially overnight activities.

Accountability: When ministry to a child involves one-on-one contact, the following procedures shall be followed, as applicable. Always be accountable to other adults regarding your interactions with youth or children. Counseling or other necessarily confidential meetings with children shall be done in an office with a window in the door and only when another adult is in close vicinity, aware that the meeting is occurring, and willing to stay in the vicinity until it is completed.

Parents and/or supervisors are to be notified beforehand of any activities with youth or children. For example, before transporting a youth or child, keeping a child after school or a youth activity, or when tutoring a child or youth.

In an emergency situation, find someone to go with you if at all possible, or notify whoever is available.

Parent Involvement: Parents are responsible for knowing where their children are at all times. Therefore, parents shall be informed of planned school or dorm activities (e.g. trips included in the schedule for the term) and asked to sign a consent form whenever possible. Parents shall be encouraged to make unannounced visits to program activities, as this also reduces the risk of abuse.

Supervision: Supervision also reduces risk. Program administrators shall periodically and randomly inspect classrooms, offices, work areas and other areas where children and adults are together.

Technology: Technology should be used appropriately to protect children or youth from abuse and exploitation, for example, to prevent downloading pornographic material from the Internet, access to inappropriate emails, chat rooms, or movies.

Discipline: Discipline should be used to teach and correct rather than punish. It should not include slapping, hitting, shaming, yelling at, or belittling a child.

Touch: Because healthy, caring touch is valuable to children but unhealthy touch is abusive, the following guidelines apply. Touch shall be open rather than secretive. A hug in the context of a group is very different from a hug behind closed doors. Touch should be in response to the need of the child, and not the need of the adult. Touch should be age-appropriate and generally initiated by the child rather than the adult. It should be with the child's permission and any resistance from the child should be respected. Touch should always communicate respect for the child. Adults should avoid doing things of a personal nature for children that they are able to do for themselves, including dressing, bathing, etc. Adults and other youth or children should not hit, slap, pinch, push, hold against their will, or otherwise assault children. The following signs of affection are generally appropriate within specific contexts: verbal praise, side hugs, shoulder to shoulder hugs, pats on the shoulder, back, or head (when culturally appropriate). For smaller children, touching their hands, faces, shoulders and arms, arms around their shoulders, hugs, or holding them when others are present. The following behaviors between staff or volunteers and children are inappropriate or may be perceived as inappropriate and shall not be engaged in: touching buttocks, chests, genital areas, or thighs; showing affection in isolated areas or when alone with a child; sleeping in bed with a child; inappropriate comments that relate to physique or body development; flirtatious or seductive looks; any form of affection that is unwanted by the child; showing sexually-suggestive videos or playing sexually-suggestive games with any child; any behavior that could be interpreted as sexual in nature. Team members shall monitor each other in the area of physical contact, helping each other by pointing out anything that could be misinterpreted.

Verbal Interaction: Words can also be used to support and encourage a child, such as praise, positive reinforcement, and appropriate jokes. Inappropriate verbal interaction includes the following: shaming, belittling, humiliating, name calling, using harsh language that may frighten, threaten or humiliate the child, cursing, or making derogatory remarks about the child. Adults shall avoid favoring or showing differential treatment to particular children or youth to the exclusion of others. Inappropriate verbal interaction also includes telling off-color or sexual jokes, making sexually suggestive comments, telling inappropriate secrets, or inappropriately discussing sexual encounters or desires with children.

Reporting of Abuse: When anyone has reason to suspect or has knowledge of child abuse within the scope of Redeemer Presbyterian Church's work and ministry, he or she must make a report according to the reporting protocol of the organization.

CHILD ABUSE PREVENTION POLICIES AND PROCEDURES

MISSION

It is the purpose of the church members/attendees and employees to provide a safe, secure environment for children and youth. A safe and secure environment includes a formal, written policy to help prevent the occurrence of child abuse. The following policy and procedures are for the protection of our children, youth, employees, volunteers and families at Redeemer Presbyterian Church. This policy is in agreement with and support of *Overture 6 – Child Protection in the PCA*, approved during the 2014 General Assembly of the Presbyterian Church of America.

GOALS

The goals of these Child Abuse Prevention Policies & Procedures are to protect children and youth from emotional, physical and sexual abuse by volunteers and/or employees and protect RPC volunteers and employees from false accusations of child abuse.

APPLICATION

These Child Abuse Prevention Policies & Procedures apply to all people who give supervision to, or have custody of, minors or who have opportunity to have contact with minors in RPC facilities or RPC sponsored activities.

DEFINITIONS

The following definitions shall apply in this policy:

- Child, "children," and "minor" shall be defined as any individual under the age of eighteen (18) (or whose mental capacity is that of a minor).
- "Adult" shall be defined as any individual at least eighteen (18) years of age (except those whose mental capacity is that of a minor).
- "Youth", "Teenage" or "Teenager" shall be defined as any individual at least thirteen (13) years old or older, but under the age of eighteen (18).
- "Paid Staff" shall be defined as any person who serves as an employee given the responsibility of caring for, assisting with, or working with minors and youth.
- "Adult Volunteer" shall be defined as any non-paid person given the responsibility for caring for, assisting with, or working with minors or youth.
- Child Abuse" shall be defined as verbal, physical, emotional, or sexual abuse of a minor, child or youth.
- "Criminal Background Check" is the procedure used to determine if a potential Adult Volunteer has a record of criminal activity.

TYPES OF ABUSE

Child Abuse and Neglect

Generally, the term abuse encompasses the most serious harms committed against children. An "abused child" is a child whose parent or other person legally responsible for his/her care inflicts upon the child serious physical injury, creates a substantial risk of serious physical injury, or commits an act of sex abuse against the child.

Not only can a person be abusive to a child if they perpetrate any of these actions against a child in their care, they can be guilty of abusing a child if they allow someone else to do these things to that child. Child Abuse is defined in law at Section 412 of the Social Services Law and at Section 1012 of the Family Court Act.

Neglect refers to the quality of care a child is receiving from those responsible for him/her. Neglect occurs when a parent or other person legally responsible for the care of a child harms a child, or places a child in imminent danger of harm by failing to exercise the minimum degree of care in providing the child with any of the following: food, clothing, shelter, education or medical care when financially able to do so. Neglect can also result from abandonment of a child or from not providing adequate supervision for the child. Further, a child may be neglected if a parent engages in excessive use of drugs or alcohol such that it interferes with their ability to adequately supervise the child. Neglect is defined in law at Section 1012 of the Family Court Act. Maltreatment is defined in law at Section 412 of the Social Services Law. Although the terms are not synonymous in the law, for the purposes of this website, the terms neglect and maltreatment are used interchangeably.

Child Sexual Abuse

This policy defines 'Child Sexual Abuse' as any sexual act between an adult and a minor, or between two minors, when one exerts power over the other. Child sexual abuse includes forcing, coercing or persuading a child to engage in any type of sexual act. It also includes non-contact acts such as exhibitionism (A), exposure to pornography, voyeurism (B), and communicating in a sexual manner by phone or Internet.

A. *Exhibitionism is exposing one's genitals on purpose to attract or to cause sexual interest in another person.*

B. *Voyeurism is getting sexual arousal from looking at other's naked bodies and genitals, or at others' sexual acts.*

The book *Making Your Church Safe From Child Sexual Abuse*, from Church Law and Tax Report further says that "Child sexual abuse may be violent or non-violent. All child sexual abuse is an exploitation of a child's vulnerability and powerlessness in which the abuser is fully responsible for the action. Child sexual abuse includes behaviors that involve touching and non-touching aspects. Child Sexual Abuse also includes non-contact acts such as exposure to pornography, exhibitionism or communicating in a sexual way.

Child Physical Abuse

Child physical abuse occurs when a minor is mistreated or not provided with the basic necessities of life resulting in injury, risk, or harm. Physical abuse is defined as brutal physical contact that is not accidental. It includes hitting, kicking, shaking, burning, hair pulling, biting, choking and other harmful behaviors.

Physical indicators of child physical abuse include: unexplained bruises or welts, bruises that occur with regularity, suspicious burns, and unexplained fractures or dislocations. Behavioral indicators of child physical abuse include: wariness of adult contact, behavior extremes, self-abuse, or acting out of abusive behavior.

Bullying

Bullying can be another form of abuse and can result from adult and/or youth behaviors. Bullying can be physical, emotional or mental. Female bullying is becoming increasingly common and typically is in the form of verbal and emotional harassment. Cyber bullying (bullying via internet, email, text messaging, etc.) is also increasingly common and equally destructive.

If it is discovered that a current Paid Staff or Adult Volunteer has a history of sexual misconduct or child abuse, the employment or volunteer relationship will be terminated immediately.
3. Criminal Background Checks and Online Clearance System will be performed on each prospective Adult Volunteer after an acceptably completed Workers With Minors Application has been submitted, and prior to being approved as a worker, unless the worker is a minor. Annual Criminal Background Checks will be performed on Adult Volunteers, randomly or as deemed necessary.
4. All Paid Staff, Adult Volunteer or Youth Volunteer will be required to read and sign the Code of Conduct. One violation of the Code of Conduct may result in dismissal if employed or revocation of permission to volunteer. - No separate accommodations: At outdoor and overnight activities, children and youth are not permitted to be alone with or sleep in separate accommodations alone with one adult other than his/her parent or guardian. Use of separate restrooms and shower facilities are encouraged or scheduled times arranged for use of facilities for children and youth and adult members. If this is not possible, two non-related adults must be present in restroom and shower facilities.
- Constructive discipline: Discipline used in RPC should be constructive, positive, and reflect our values. Corporal punishment is not permitted.
- Nursery: Redeemer only hires females for Nursery Paid Staff positions. Only these paid staff shall change diapers and supervise bathroom visits in the Nursery.
