

Connect

May 3, 2020

Worship the Trinity. Love our neighbors. Live out the gospel.

Redeemer West Side is continuing to monitor NYC Health and CDC Guidelines, and will adapt to new guidelines as soon as they are announced. We will continue to create the Connect, but it will be tailored to give you updates week to week.

Give to Redeemer West Side: westside.redeemer.com/give

Giving through April 19th was \$2.356M.
Our 2020 giving goal is \$6.914M.

ARE YOU NEW TO OUR WEST SIDE COMMUNITY?

This is an especially important season to remain connected to one another. The book of Hebrews exhorts us to strive to gather and encourage one another (Hebrews 10:24-25). During this season it might be harder to stay connected, but it's never been more important. If you are new to our community we'd love to see you get connected!

JOIN A COMMUNITY GROUP

We have a number of Community Groups that are meeting virtually.
